In attendance: Cliff Bronstad, Bill Waite, Jeff Martin, Mark Edwards, Shirley Morley

Absent: none

Also in attendance: Randi Osberg-city attorney, Dan Knapp-public works director, Joe Atwood-building/zoning administrator

Mayor Martin announced the purpose of the hearing is to receive public input on the proposed amendment to 118-75 - single family residential zoning (c) conditional uses, 118-82 - light industrial district (d) conditional uses, and creating 118-86 (c) real estate abutting airport district. Petitioner is requesting change to the zoning code to allow for hangars to be built on private property which abuts the airport.

John Kennelly, 514 Lakeview Drive, wanted clarification if this was for industrial use or recreational.

Dan Knapp stated it was a request for recreational use.

Nancy Lind Prince, 708 Lakeview, stated her family has been in this community a long time and she wants to make sure this is still for recreational use and not moving towards an industrial airport. She enjoys the “family” and recreational feeling and look around the airport now and doesn’t want that to change. Keep it recreational.

Edwards stated it will stay recreational.

Waite stated we have an industrial park and that can be utilized if industrial needs arise.

Myrna Wieckowicz, 223 Phillips Street, expressed concern about noise. Wanted to know what kind of plane and make sure it wasn’t a parachute plane. They have been arriving more and more at the airport and are very loud.

Dan Knapp stated the petitioner has two planes in New Richmond and they are similar to the planes that you see now at the airport. At this time, he is not aware of the petitioner having parachute planes.

Motion to adjourn the hearing made by Bronstad, 2nd by Waite. Carried.
