#### OLD BUSINESS:

##### A. EXECUTIVE DIRECTOR'S REPORT:

1. Maintenance: Executive Director, Jean Odell, reported that one apartment has a new style of lights in the kitchen and dining area as an experiment to replace the existing fluorescent lighting. The new lights are acceptable and nicer looking, so we will be replacing the lights upon vacancies. Toilet repairs are being made by our maintenance person John in order to reduce the wasting of water.
2. Complaints: There was one written complaint, which was received yesterday and will be addressed next week. Cars are parked in the alley, which seems unnecessary considering that most tenants have a carport space available. Tenants were reminded to be respectful and cooperative with each other.
3. Vacancies: We have two apartments becoming available, with several names on the waiting list.

B. REVISION OF DOCUMENTS: Suggested revisions were reviewed; a few more changes need to be made on the documents. This led to a brief discussion of accessible apartments.

C. MISSION STATEMENT: The "Mission Statement" for Chetek Housing Authority was revised.

D. SIGNING OF DOCUMENTS: The Civil Rights Certification will be signed at the conclusion of this meeting.

E. ANY OTHER OLD BUSINESS:

#### NEW BUSINESS:

A. L.O.R.A.C.: 1. Welcome packet for new tenants: A draft of a welcome packet has been created, which addresses some of the basics of living at Lone Oak, such as garbage pickup, and other topics not specifically addressed in lease; 2. The recent thrift sale brought some monies into the L.O.R.A.C. account.

B. APARTMENT INSPECTIONS SCHEDULED: The annual inspections will be held prior to mid-May.

- C. CAPITAL IMPROVEMENTS AND BUDGET: Board members should have ideas/suggestions for property improvements at the May 25 Board meeting as the budget must be approved at the June 2017 Board meeting.
- D. PROPERTY APPRAISAL: Our property insurance carrier will be doing a property appraisal.
- E. REAC INSPECTIONS: It is likely that there will be a REAC inspection this year, as the last one was held in Sept., 2014.
- F. COMMUNITY GARDEN: The Board decided to continue with the two community gardens, as we had last year. This topic should be added to the Welcome Packet, so that new tenants know the garden areas are available.
- G. ANY OTHER NEW BUSINESS: Exec. Dir. Odell will obtain information about a CET program for employing part-time help.

OPEN DISCUSSION / COMMENTS: A tenant expressed appreciation for the tree removal and the lightweight hoses.

DISCUSS / ADD AGENDA ITEMS FOR THE NEXT BOARD MEETING:

1. Capital improvements (sidewalks, boilers, etc.)
2. Apartment update options

Dear Council Member,

Attached for review, comment and subsequent action is the recently completed 2016 Compliance Maintenance Annual Report (CMAR) for the City of Chetek. The CMAR covers operations and maintenance activities of both the sanitary sewer collection system and the wastewater treatment facility for the year 2016.

CMAR requirements have been in existence since 1987. The CMAR is a self-evaluation tool that promotes the owner's awareness and responsibility for wastewater collection and treatment needs, measures the performance of a wastewater treatment works during a calendar year, and assesses its level of compliance with permit requirements.

I will be attending the City of Chetek Common Council Meeting, Tuesday June 13, 2017 to answer any questions that you may have or if you need any further information.

Dear City Council,

Prior to accepting a full-time Patrol Position with the City of Chetek I had been operating a small business I own teaching firearms classes. This business does make me extra income, but also helps me support the community. Last year my business donated over \$12,500 worth of goods and services to the community. As an example in the wake of our weather tragedy, I am personally donating t shirts from my business to anyone who attends class and helped with the disaster relief.

Since 1992 my Grandfather and Grandmother have operated a small upland bird hunting game farm. I have always taken great pride in assisting them with any needs they may have running the farm. I generally do not make any financial benefits from any profits gained during the operation of the farm as they are reinvested in operations and an account to pay the property taxes so future generations of our family can enjoy the land I grew up recreationally enjoying.

I am formally asking permission to continue my minimal obligations to these areas, with the understanding that it is not to affect my full-time employment obligations to our City.

Respectfully Submitted – Officer Travis Hakes / #621
