10. Write off uncollectible personal property tax - Florida's Natural Food, Little Creations, Chetek Recreation
11. 2020 Paving projects
12. Hiring part-time seasonal help for public works

Adjourn

NOTE: Any person who has a qualifying disability as defined by the American With Disabilities Act that requires the meeting or materials at the meeting to be in an accessible location or format must contact the municipal clerk at (715) 924-4838 by 10:00 a.m. the Friday prior to the meeting so that any necessary arrangements can be made to accommodate each request.

Minutes of the Common Council Meeting of the City of Chetek held on Tuesday, April 14, 2020, at 6:00 p.m. in the Council Chamber, 220 Stout Street, Chetek, WI

The meeting was called to order at 6:00 p.m. by Mayor Jeff Martin.

Present: Jeff Martin, Earl Grover, Terry Hight, Mark Edwards, Scott Bachowski

Approve agenda - Motion by Bachowski, 2nd by Hight to approve. Carried.

Consent agenda - Council minutes from March, city claims from March, accept and place on file department/board reports as submitted: Police-March; Plan Commission-February; Resignation of Ryan Mattison from Board of Appeals; Class "B" license to CW Wrestling Club; Motion to approve - Edwards, 2nd by Bachowski. Carried.

Old business -

Councilmember Grover advised he found 85 gallons of some type of roofing material that may contain asbestos on the 39-acre parcel. Council members discussed concerns regarding the phase 1 environmental assessment and why this wouldn't have been noted. Bachowski motioned to contact Cedar Corporation to review the phase 1 report and determine how the roofing material should be disposed of. Also, question whether there should be additional soil testing areas and any additional cost for the phase 2 assessment. Earl Grover will contact Matt Taylor with Cedar Corporation. 2nd by Edwards. Carried.

Public dock system at Stout Street access - Hallquists presented their letter opposing the dock system as their house is located next to the landing. They are concerned about erosion along the bank, noise, foul language, more traffic, garbage from boaters. Bachowski advised that he has received a lot of support in favor of the docks. The Chamber of Commerce, Resort Owners, Lions Club, and Community Club have stated they will each donate \$2,000 towards the docks. Bachowski presented an updated layout for the dock system that would allow for 6 slips. The first slips would be back more than 48 feet from the shoreline with marker ropes running at an angle from the neighboring lot lines to the docking system with signs to prevent any boats from pulling in too close to the shoreline. Council members discussed adopting ordinances to restrict the time of use, and limit of docking time. Porta potties and trash bins would be installed for boaters to use and privacy fencing along both lot lines for privacy for residents on either side of the landing. Estimated cost is \$22,000 for an ADA compliant dock system. Non-ADA compliant system is approximately \$14,000. Council will procure additional bids and bring this matter back to a future meeting.

New Business

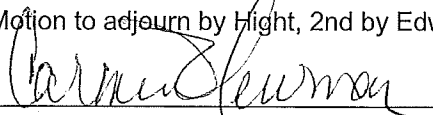

Request to increase the quota for "Class A" liquor and Class "A" fermented malt beverage licenses.

Jason Fostvedt presented a plan to council for opening a new resale shop carrying craft beer, high-end liquor and wine, and cigars. Motion to increase quota for both by one - approve by Hight, 2nd by Grover, carried.

Motion by Hight, 2nd by Bachowski, to Move May council meeting to Wednesday, May 13th and August council meeting to Wednesday, August 12th due to elections being on the 2nd Tuesday of those months. Carried.

Housing loan program - Proposals were submitted by Chippewa County Housing and MSA Professional Services. Chippewa County Housing's administration fee is 1% less than MSA and Chippewa County Housing also serves as the lead for the West Central Region which includes Barron County. Motion by Bachowski, 2nd by Hight, to enter into a contract with Chippewa County Housing to administer the City of Chetek's community development block grant housing program. Carried.

Motion to adjourn by Hight, 2nd by Edwards. Carried.

Carmen Newman, clerk/treasurer

City of Chetek Plan Commission Minutes- April 30, 2020

A regular meeting of the Commission was called to order at 6:00 pm on April 30, 2020 by Chairman Jeff Martin to hear a request from Charles Feigh to build an attached garage over a City sanitary sewer line at 101 Pine Street.

Compliance with the open meeting law was verified by Joe Atwood.

Roll call was taken. Present were Mark Etten, Shawn Ayers, Jeff Martin, Del Wacker, Dave Swangim. Absent were Scott Backowski and John Hunsinger.

Also present were Dan Knapp, Joe Atwood, Randi Osberg, Charles Feigh and The Chetek Alert.

A motion was made by Shawn and seconded by Dave to approve the February 20, 2020 Plan Commission Minutes.

Discussion/Action: Charles explained his situation with the attached garage with reference to the sanitary sewer line.

Dan Knapp commented that he did not have an issue with the request as long as something was in place to cover additional expenses in case work needed to be done on the line and that it was drafted so that it was for the life of the property.

Del Wacker asked about the cost of the document and who would pay for that.

Randi Osberg stated that he will draft such an agreement and the draft fee would be around \$200.00 dollars.

Mark Etten asked about the size of the sewer main.

Dave Swangim asked Dan about the cost difference in regards to having the garage on the sewer line. Dan stated that there would be additional cost involved.

Action: Motion by Shawn and seconded by Mark that a recommendation be sent to City council for approval of the project and agreement. Randi Osberg will present the agreement to Council.

Joe Atwood stated that there will be another Plan Commission Meeting on May 7, 2020 to review an application for a Planned Unit Development at Red Rock Resort.

Motion to adjourn by Del and seconded by Shawn.

Submitted by
Joe Atwood

CITY OF CHETEK

NOTICE IS HEREBY GIVEN that pursuant to Section 125.04(3)(g) of the Wisconsin Statutes, that the following has made an application for the following license:

Fostvedt LLC d/b/a Fostbites Spirits

“Class A” Intoxicating liquor and Class “A” fermented malt beverage

Such application will be acted upon by the Chetek Common Council at the regular council **meeting to be held on Wednesday, May 13th, 2020, at 6:00 p.m.** At this meeting, interested parties either for or against granting said licenses, will be heard.

Carmen Newman, Clerk/Treasurer

To: 'Scott J Bachowski' <sbachowski@msn.com>

Scott,

See attached floating design we would be able to quote for install this spring. We could do 24' but would need to get the aluminum dock board from the extruder which is about a 3 week lead time right now.

This quote would be for an all aluminum floating dock (floats where the Xs are) with Railing down the straight section and toe kick on the remainder. O s represent the auger locations.

We would be around \$50k installed. Cheaper if there is truck/trailer access to the dock area and sections would not need to be barged in by boat.

Any questions let me know
Thanks

Troy Harvey

A lightweight piercing system for UHP Firefighting consisting of a water-turbine driven pressure amplifier and a handheld gun.

Product Summary

- Portable Water Driven Power Tool
- Pierce all known construction material
- Quick Change Abrasive Gun Magazine
- Complete, Ready to Operate upon Delivery
- Industry Leading Warranty with Unsurpassed Support
- Designed and Manufactured in the USA

TURBOPIERCE

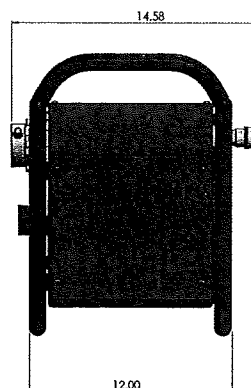

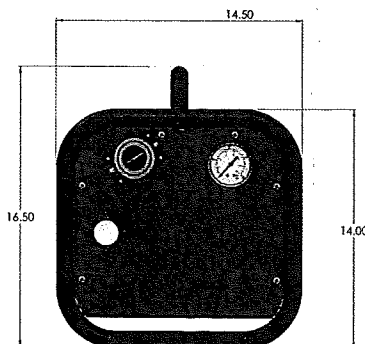

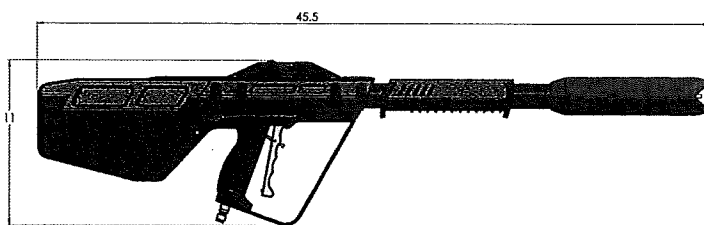

Firefighting Waterjet Tool

Description

TurboPierce™ is a piercing tool for ultra-high-pressure (UHP) Firefighting. The system consists of two primary components: a gun and a pressure amplifier. The pressure amplifier is powered by fire engine handline flow. A standard 1.5 to 2.5 inch inlet hose fitting, installed on the low-pressure side of the amplifier, receives the handline. Hose flow is routed through a sculpted bifurcated nozzle that spins a turbine, which is directly coupled to a high-pressure pump. A quick-connect coupling attaches the gun to the amplifier's high-pressure outlet. The overall design eliminates the need for a heavy pump motor, skid, electronics, or extra vehicle.

Details

Dimensions	Gun: 45.5 x 11 x 2.6 inches Amplifier: 16.5 x 14.5 x 14.58 inches
Weight	Gun: 15 lbs (with loaded abrasive magazine) Amplifier: 39 lbs
Requirements	120 - 140 GPM Water Input 120 - 140 PSI Water Input 1-1/2" - 2-1/2" NPSH Hose

Purchase Specifications

- An abrasive Waterjet piercing gun for ultra-high-pressure (UHP) Firefighting
- The system will consist of two components: a handheld gun and a pressure amplifier
- System will not use electronics or wireless devices
- Pressure amplifier to be driven by standard fire engine handline flow and not require any other power source (e.g. electric, diesel, gasoline, or PTO)
- Pressure amplifier will weigh less than 40-pounds and have no linear dimension greater than 16.5 inches
- Pressure amplifier will be equipped with a 1.5 to 2.5 inch interchangeable inlet hose fitting for ready fire hose acceptance
- The piercing gun will utilize suction, not pressure, for abrasive garnet mixing.
- Mixing will take place at the end of the gun barrel and not require abrasive to be "pushed", as a high-speed wear element, through any hose or extremity external to the gun
- The abrasive material will be housed in a quick-change magazine. The magazine will be an integral component of the gun shoulder-stock
- There will be no corrodible components on either the gun or pressure amplifier assembly
- Aluminum components and side panels to be either hard-coat anodized or powder coated for durability and long-lasting appearance
- To be covered by a free five year warranty.

Resolution 2020-05

Act 185 Waiver of Property Tax Interest & Penalties Due to COVID-19 Pandemic

WHEREAS, in December 2019, a novel strain of coronavirus known as COVID-19 was detected and COVID-19 has continued to spread throughout the world, including to the United States and the State of Wisconsin ("COVID-19 Pandemic"); and

WHEREAS, the federal, state, local and individual responses to the COVID-19 Pandemic and the uncertainty as to the effectiveness of those responses in mitigating the duration of the COVID-19 Pandemic have created economic hardship and uncertainty in the City's business community, City households and for every City property taxpayer; and

WHEREAS, the State of Wisconsin 2019 Act 185, enacted on April 17, 2020, is a Legislative response to the COVID-19 Pandemic; and

WHEREAS, Section 105(25) of Act 185 authorizes, among other things, Barron County to adopt a resolution enabling taxation districts within Barron County to waive interest and penalties on 2020 property tax installment payments due and payable after April 1, 2020, until October 1, 2020; and

WHEREAS, on April 21, 2020, the Barron County Board of Supervisors adopted Resolution 2020-13, Resolution Authorizing a Taxation District to Waive Interest and Penalties on Property Tax Payment Installments Due On or After April 1, 2020; and

WHEREAS, Barron County's authorization for a taxation district to implement the above-referenced waiver is contingent upon a taxation district adopting a resolution in similar form and content as to Barron County's resolution; and

WHEREAS, while Section 105(25) of Act 185 allows for either a general or a "case-by-case" finding of hardship to qualify for the above-referenced waiver of interest and penalties, the City intends by this Resolution to waive interest and penalties for all property taxpayers in the City otherwise eligible for a waiver under Section 105(25) of Act 185 on a finding of general hardship based upon the economic conditions described in this Resolution, which the Common Council determines has adversely affected all taxpayers in the City; and WHEREAS, this Resolution is not intended to be construed as authorizing any "case-by-case" findings of hardship by the City.

NOW, THEREFORE, BE IT RESOLVED that the Common Council of the City of Chetek finds that a general economic hardship exists in the City of Chetek due to the COVID-19 Pandemic and as a result, shall waive interest and penalties for all property taxpayers in the City otherwise eligible for a waiver under Section 105(25) of Act 185.

Adopted this 12th day of May 2020

Request being made: I am seeking to harbor an additional 2 (dog/cat)

Please explain why you feel the additional pet will not be a nuisance to the neighbors:

my DAUGHTER GABBY GAMBLE IS TEMPORARILY MOVING BACK IN WITH US. SHE OWNS GIZMO + MARCY - 2 DOGS

Requestor signature Ronald J. Gamble **Date** 4-15-2020

Council meeting date 5/13/20 granted _____ denied _____

Reason granted or denied: _____
