

Minutes of the City of Chetek Common Council Meeting held on Tuesday, May 14, 2024 in the council room, 220 Stout Street, Chetek, WI. Also posted live on the City Facebook page

The meeting was called to order by Mayor Martin at 6:00 p.m.

Members in attendance: Mayor Martin, Scott Bachowski, Earl Grover, Terry Hight, Thea Hempel

Public comments: Tom Birkmeier also treasurer for the veterans memorial. He believes that the monument was put in back in 1897 there are 2 sheets of every member that started it. The bottom straps he put on cause the pavers are coming off. They did give info on how it would need to be redone and what steps need to be taken. It will need a new foundation poured and then the monument would need to be put back on it. Removal of statue and re setting would be around 5000.00 and could be more or less. They do have many that are willing to donate and wanted to come to council to see what the council would take.

Grover made a motion to approve the agenda. 2nd by Hight. Carried.

Bachowski made a motion to move Item P of the agenda to replace Item F 2nd by Grover. Carried.

Hempel Commented that EDC April on the agenda be changed to EDC May as April minutes have already been accepted and placed on file. - city claims and minutes from April Council Min; April Organizational, April Emergency meeting; accept and place on file committee minutes: Library- April, EDC May. General License/permits: Chetek Chamber of Commerce, Lake Country Marina Class A Beer, Temporary Class "B" for St. Boniface Catholic Church July 14th

Hempel was very pleased that the Marina was in attendance. Hempel did ask about what mitigation they were going to do to help with the drinking on the lakes. Mr Crotteau said that is what the DNR and Sheriffs Dept. are for. Mr. Crotteau is just helping to move it closer than other areas. Mr. Crotteau said that grocery carts are coming from KJ's. Barron County now has 2 DNR officers. Hempel motioned to approve the consent agenda items. Grover 2nd. Carried.

Old Business:

Employee Handbook & policies We are just revisiting from April. Personnel did approve the changes. Hempel said she had considerable feedback. She feels it is really hasty. She feels there are considerable changes. Hempel does not feel that it was just a file transfer edit replace title; it is a considerable policy change. She would like a meeting of the whole. Hempel made a motion to postpone to a meeting of the whole 2nd by Grover. Discussion: Bachowski said he would like to hash it out and talk it out and move forward. It has already been pushed out to a month. Grover said that he did meet with Laura and she did answer her questions. Grover said that he has read it twice and he still has some questions. Grover would like to understand the handbook better. Hight said that it is a recommendation and not a final word. There are some concerns with council to Administrator changes. There have been a lot of shifting of changes and possibilities and that has been discussed and possibly put in the handbook. 3 yea's with Bachowski voting no. carried.

New Business:

Discussion of park naming rights for the sports complex- Hight wanted to state that the park name would not be changed. Paul Poppe said that it is at the fundraising phase now and the question came up about naming rights. 1 what that naming rights would be. Where would that dollar increment be at. There is no desire to change the park name but what if they were to name it blank sports facility at Gotham Park. Something else that was discussed with pickleball parks says you donated 25k at that point you could put your name on that court. Hempel asked So this is a proactive thing that you are doing. Paul Poppe said yes it was. They would like to do a brochure and a presentation to see what the end goal is and from that point they would start a plan as to who to contact. They want to get going on their fundraising that way and the potential list that could do larger contributions the point of being on the agenda is to get the council approval and ok. The mayor said that the new sonnentag gave a bunch of money. Council said that it is a good idea and that we are going to maintain the park's name rights.

Sale of Hanger 15 Laura gave an update as to the sale of hanger 15. Terry Bartsch was at the meeting. He has signed his part of the lease now it is brought before council for final approval. Mr Kaye never did get a signed land lease to the council as they had asked. Hight asked if the term of the lease dates transfer. Hight asked about the lease fees and they were paid prior to the sale before to Mr. Kaye. In regards to the taxes Mr. Bartsch said that if and when there are any taxes that those would be taken care of and paid by him. Bachowski said that it is great that we are gonna have a hanger owner that is going to use it for its intended use. Bachowski made a motion to approve the lease with Mr. Bartsch. Hight 2nd Hempel just said that she does not like the way that this went down. So she is just asking that help to make the airport a better place. The mayor asked where home is for Mr. Bartsch and he lives in faribault.carried

Donation of Gravel to Chetek Chamber of Commerce- Jen asked if she could be on the agenda on Monday in regards to donation of gravel to the Chamber for their new building. It would be a very minimal amount Bachowski asked about how much it would be about 36 tons and would be about 400.00. Bachowski made a motion to approve the donation of gravel to the Chetek Chamber of Commerce. Grover 2nd. Carried.

Discontinue of utility disconnections- City Clerk said that Dan in the past has had issues with disconnects in regards to the door hangers being put on and water shut off to the point of threats to the public works guys doing the disconnects. We still plan to send out a disconnect but would no longer turn off water. Grover asked as being a landlord in the past that if it is not paid it would go on the tax roll which is correct and Grover also feels that is why you have a security deposit and you go to the city hall to make sure the bill is paid prior to returning the security deposit. Dan said that the City loses money when we have to do disconnects. The customers that do pay are paying for the disconnects. Hempel also asked if it was a time saving and yes it is. This is also a safety thing. Hempel asked how much of a time saving and Dan said about a day. The mayor asked Dan if he or his guys had been threatened and he responded yes. Hight made a motion to discontinue the utility disconnections. motions Grover 2nd. Carried

Award paving bid- There is just 1 bid. There was no quote from the county. Hempel asked where this is to budget and Dan said that it is under budget. Hempel made a motion to award the paving bid. Bachowski 2nd. Carried. Paving bid was awarded to Monarch Paving.

Water tower logo discussion- Hight asked what time of time constraints Dan is not sure at this time. Jana from SEH did respond to an email from Dan on whether you can put a school logo on the tower or not. It is allowed to place a school logo on the tank. The bidding documents included a logo but did not include any detail of the logo. The question did not come up during bidding, so I'm not sure what Maguire assumed for their bid.

Baldwin is placing the school logo on their tank, and Rice Lake just put the school logo on one of their tanks. Other tanks have included "Home of the ____". Hight reached out to Jenene and the school board did have their meeting and she did confirm that if they're invited they would like a seat at the table. There may be some cost involved. Dan said that the council needs to decide what kind of design they want. That design would then go to the engineer. Jenene did say that she did talk to the Administrator of the school Mark Johnson and they would love to be part of the conversation. It's always been Chetek Bulldogs on it. Hempel asked if we were 100% married to the school thing and everyone agreed no. That it is fully up to the council. Bachowski said that he likes the logo that we have come up with for the city but that is a later discussion. There was some discussion on possibly getting the school kids involved.

EOP Update/Approval- This is an annual thing and the only changes are facility changes that are local in the area contacts were updated along with phone numbers. The only other changes was removing Carmen's name and putting in the City Administrator and also the City Clerks info. Hight made a motion to approve the EOP update. Bachowski 2nd. Carried.

4 Wheeler/UTV Curfew- The mayor said that he has spoken with the Chief and he said you can talk all you want but to not vote on it tonight so he can be part of the final discussion. Most all council members have also spoken with the Chief. Hempel said that no one else has curfews but us. Chief is looking into some things and had a few request having date curfews instead of all year around. Protecting the residential communities. Discuss enforcement as that will add one other thing to our PD. Hight would like to hear from the Chief that they are licensed by the DNR and not the DOT. Dustin Johnson said County of Dunn requires blinkers after dark. Blinkers are not standard issue. City of Rice Lake ordinance is that

you have proof of insurance. There are steps that could be taken. snowmobiles till 1 am as long as you take the most direct route home something could be adopted to mirror the snowmobile curfew. This is in our current ordinances for snowmobiles. Hempel made a motion to postpone to the June meeting. Grover 2nd. Carried.

Police Dept Roofing Bids- The police dept needs a new roof or repair. We do have 2 bids. The police dept building has a flat roof so only able to obtain 2 bids. Northwest Roofing gave a bid of \$38,469.00 for a complete replacement. Would give a 20 year manufacturer warranty. 2nd bid J & A Northwest Construction & Commercial Roofing gave 3 different options. The 1st option is to replace the whole thing for a price of \$25,500.00 2nd option was their fabric reinforcement system for \$20,900.00 3rd option membrane restoration system 12,700.00. There is money in the outlay account to cover any option. The council would like to ask Joe his input. Hight did say that Northwest Roofing has been in town since he was a kid. They do a lot of big commercial buildings. Bachowski made a motion to table the decision on the police dept roofing bids to the meeting of whole or June meeting whichever comes first. Grover 2nd. Carried.

RFP for new City Attorney- This was put on Laurasw radar from multiple city employees as the current city attorney does not respond back in a timely manner. We received 2 RFP's one from Weld Riley and the other from Von Briesen. Weld Riley would appear that they have 2 attorneys. Their fee is \$235.00 an hour per their contract they do cover some local municipalities. Von Briesen would have 1 attorney at our disposal with an arsenal of governmental attorneys with them. They do have vast resources and work with other municipalities. Their billing is 325.00 an hour but they do have a much larger team. Last time the only reason we did not go with Von Briesen is because of a conflict of interest at that time. Hempel asked if there were any other conflicts of interest and no personal ties. The mayor said that timeliness and response is the big thing. Hight made a motion to hire Von Briesen as City Attorney. Bachowski 2nd. Carried.

Resolution 2024-12 Hazard Mitigation Plan- this comes from the County and West Central Regional Planning also help put the resolution together. If approved it goes back to West Central Regional Planning to get put with the Barron County's Multi-Hazard Mitigation Plan for 2024-2029. Hempel makes a motion to approve resolution 2024-12 Barron County Hazard Mitigation Plan. Grover 2nd. Carried.

ARPA Fund reallocation sound system money from downtown- This was brought to the attention of the council as this is the only thing left from the ARPA Funds that have not been allocated. The state needs all funds allocated by December 31,2024. Hight has talked to Toby who came up with the idea. The guy went out of business and now they are trying to find someone else that would do the downtown sound system. Hight also did talk with Jennifer from the Chamber and he came up with the idea of giving the money that would go to the sound system to the Chamber to help with the cost of their new building. Bachowski said that he did not want to do anything tonight. Reach out to Toby again and then the chamber and see what their interest is in the money to go towards the building and not the speaker fund. Laura said we would like to know by October as to what we need to allocate the money to. Hempel said that she would like to see it done even before October. Hight said that he would go to the next Chamber meeting. Grover made a motion to table the ARPA funds to the June meeting. Bachowski 2nd. Carried.

Replacement of 4 picnic Tables- This was a lengthy discussion as to how many we currently have. We had 4 stolen this past winter. The question was asked with the amount that we currently have, do we need to purchase now. Dan said that would be up to council but no we would not need to purchase now. This was put on as an agenda item because of the possibility of moving the ARPA funds to the picnic tables and then using money for the sound system out of an outlay account. There was a police report and an insurance claim made but insurance will not cover because our deductible is 5000.00 which is the price for the 4 picnic tables. It was further discussed that it could be a budgeted item for next year. no motion was made.

Clerk/Treasurer Institute open conversation on office hours during that week- The Clerk treasure institute is something that everyone needs to do in the office because it is instrumental. The question before the council would be what is the take on closing the office for the week if all 3 employees were to attend. The office could be open when Mark is on break during that week but that would be it. Clerk did say that there have been some discussions with UW-Green Bay and the advisory board which the clerk sits on of in the coming years of maybe doing a split week or different options as many municipalities like ours can not

afford to be closed for a full week. You do have to commit 100% of your time that week to the classes. So it has been brought up on how to help offset some of the time that municipalities would need to close or how to be able to send multiple people and still run the office effectively. Bachowski said he is a big proponent of being customer oriented so he would like to see Mark continue and have Laura start with hers. Hight said that he would like to keep 1 person in the office and keep the doors open. Hempel said that she does not like the idea of the office being closed for a week. Hempel has already got pushback over the summer hours and the past Friday that the office was closed. Bachowski said that he would like to see Mark continue and Laura decide whether it should be herself or Brandy who starts this year. Maybe talk to Carmen how it would be a benefit to Laura.

Write off chargeback of Personal Property Taxes for 2022- This is a write off for personal property taxes from DJM DeSmith Holdings. We did get Barron County's tax amount back and also the share from the school. Hempel made a motion to write of personal property taxes for 2022. Hight 2nd. Carried.

Grover made a motion to go into closed session. Bachowski 2nd. Roll call vote Bachowski-yes, Grover-yes, Hight-yes, Hempel-yes. Carried.

Bachowski made a motion to go back into open session. Grover 2nd. Roll call vote Bachowski-yes, Grover-yes, Hight-yes, Hempel-yes Carried

Hempel made a motion to allow the Mayor and Laura to make the negotiations on behalf of the city. Bachowski 2nd. Carried.

Bachowski motioned to adjourn the meeting, 2nd by Grover. Carried.

Mark Eby, City Clerk

Minutes of the City of Chetek Meeting of The Whole held on Monday, June 3, 2024 in the council room, 220 Stout Street, Chetek, WI.

The meeting was called to order by Mayor Martin at 5:00 p.m.

Members in attendance: Mayor Martin, Scott Bachowski, Earl Grover, Terry Hight, Thea Hempel.

ATV/UTV Ordinance- Chief started with talking about taking a look at our ordinance hours. Chief had invited Deputy Wolfe to also discuss. There are other municipalities that have curfew hours. Chief did the ordinance back in 2019 to help with noise within the city. The chief thinks that it is safer. He is willing to to make a change in the hours. Mayor asked if you have a suspended license if you could drive a UTV and the answer was no you can not. You need to have a valid driver's license. Chief is willing to go from 5am to midnight instead of 7am to 10pm. Barron County has nothing more restrictive than the state law. Deputy Wolfe said that if this is something the City would like to change to look at a couple of the state statutes and also maybe seek advice from our municipal attorney. We will have to purchase some signs to let people know of those changes. To let the public know is one of the biggest things that was talked about. Hempel asked about the difference between ATV and snowmobile. Currently snowmobiles are good to 1am per city ordinance. Our current ordinance has been in place for 5 years and the Chief can count on 2 hands how many he has had to deal with. The problems that he has had are juveniles for the most part. This will go to the common council meeting June 11th.

Police Roofing Bid- Scott wanted to point out that the warranties are the same. They are both 20 years. Rubber roofs are the kind of preferred method from what Hight said. Grover said that we aren't really comparing apples to apples. Grover checked on the plastic roofing which is only temporary. This would go to the common council agenda on June 11th to be discussed/voted on.

Approval of new Airport Manager- Bachowski said that the airport committee recommended Matt Hutzler to be the new airport manager. At this time there is no stipend for this position, it is just a volunteer position. There was brief discussion as to if it would at some time be a stipend position and the Mayor said that in his opinion that he would like to see it be a stipend position at some point down the road. Hempel said that she is not in favor of having it a stipend position. Grover made a motion to approve Matt Hutzler as Airport Manager. 2nd Bachowski. Carried.

City Hall Summer Hours- Hempel said that it should be memorial day to labor day. That is the official start of summer. Hempel said that she has taken some calls from her constituents that are not happy with the summer hours. Mayor Martin asked Clerk Eby what his take has been on the summer hours since he has been here the longest in City Hall. Clerk Eby said it was started in June of 2022 and went to Labor Day and in 2022 and 2023 there had been no complaints to any council member that he was aware of and there were no complaints to City Hall. There have been some calls that people were not able to make it to City Hall by the time they closed on a Friday at 11 to pick up garbage bags. He then brought them to a property for those people. Council said that they would like to have city hall employees come back at the June 11th meeting and give their recommendation as to how to handle summer hours.

Employee Handbook & Policies- There was much discussion about the changes in the employee handbook and why some of those changes were made. Administrator Stelzner did discuss each change that was asked by the council and why that change was made. Hempel would like to see the same time off for paternity as it is stated in the maternity section as this is a way that things are working nowadays. Stelzner said that she would make that change so maternity and paternity were the same. Bachowski made a motion to adopt recommendations from personal on employee handbooks and policies. 2nd by Grover. Hempel did not vote. Carried.

Decorum & Council Meetings- This was a discussion with the Mayor and how council as a whole needs to handle issues that may arise and be a little more professional and not to talk over each other, not to tell people to be quiet as someone is talking. There was consensus that they would all work together on the issues that had been discussed.

Hight motion to go into closed session. 2nd by Grover. roll call vote Bachowski-yes, Grover-yes, Hight-yes, Hempel-yes.

Grove made a motion to go back into open session. 2nd by Bachowski. Roll call vote Bachowski-yes, Grover-yes, Hight-yes, Hempel-yes.

Hempel makes a motion to allow the Mayor and City Administrator to proceed according to directives by council to supersede the motion made at the May 2024 common council meeting. 2nd Bachowski. Carried.

Hight made a motion to adjourn. 2nd Bachowski. carried.

Mark Eby, Clerk

Minutes of the Hearing of the Plan Commission of the City of Chetek held on May 15, 2024 at 6:00p.m.

City of Chetek – Planning Commission Meeting Minutes – May 15,2024.

A regular meeting of the Planning Commission for the City of Chetek was called to order at 6:00 pm on May 15, 2024 by Scott Bachowski.

Roll call for the Planning Commission meeting was taken. Present were Scott Bachowski, Shawn Ayers, Tim Esselman, Del Wacker Absent: Mayor Martin, Mark Etten, Dave Swangim

Also present was Mark Eby, Planning Commission Secretary, Building Inspector Joe Atwood, Josh Heidemann

Compliance with the open meeting law was verified.

Shawn Ayers made a motion to approve the prior month meeting minutes. 2nd by Del Wacker Motion carried.

1) Discussion/Action: Approve or not approve a land division request from ERR Properties at 806 Knapp St.

Josh said they have .391 acres which is enough to divide to R1 where he could sell the lot or build another one front lot would be 806A and back lot would be 806B. Joe said there are no issues. He is filling everything that needs to be done. Utilities coming off of Kanpp st. Tim Esselman makes a motion to approve land division at 806 Knapp St. 2nd by Del Wacker. Carried

2) Discussion/Action: Review any progress with the Shoreline Provisions the Commission has been working with attorneys suggested changes.

There was discussion in regards to the changes. Joe did make the changes per the City attorney. After further discussion the commission would like to forward the original ordinance to the new City attorney as they feel that the old City attorney quickly looked at it since City Hall had to reach out and see if they had any recommendations as they had not heard back from the attorney. The Commission would like to see what the new City attorney would recommend as far as changes. Del Wacker makes a motion to send the previous draft to new city attorney 2nd by Tim Esselman. Carried

3) Discussion/Possible Action: Review and discuss proposed shipping container ordinance.

Justin Larson was here in regards to shipping containers. Justin currently has a shipping container on his property. He did talk to Joe and according to our ordinance containers are not allowed. When Justin read the ordinance he said our ordinance was a very gray area as to having a shipping container in a residential area. Joe noted that he did make some changes. The changes were noted in red on their sheets. Tim did notice that there were some changes that needed to be made. Those changes were numbers 4, 5, and 6 where the village needs to come out and the city needs to be imputed. With those changes everything looks good. Tim makes a motion to recommend to council approving the shipping container ordinance as written tonight. 2nd by Del. Carried. The commission then addressed Justin's concerns/issues and what it needs to look like. The commission did let Justin know that they would like him to come back next month with some designs of what his container could look like in regards to more of a yard barn. Also a time frame of when he could get it done so if there are other complaints on it Joe can let them know that it has been addressed and are working on getting it corrected.

Motion to adjourn by Tim Esselman 2nd by Del Wacker. carried meeting adjourned at 6:50pm

Respectfully Submitted Mark Eby

City of Chetek/Township of Chetek Fire District Meeting Minutes
Thursday, May 30, 2024
Fire Hall Training Room

Meeting was called to order at 5:00 P.M.

Present: Ronnie Latcham (Chair), Dave Lentz, Mark Carlson, Earl Grover, Ryan Olson (Chief), Randy Books (Assistant Chief), Renelle Gill

Absent:

Approve Agenda: Mark Carlson made a motion to approve the agenda, seconded by Dave Lentz; motion passed.

Approve Minutes: Dave Lentz made a motion to approve the minutes from the February 1, 2024 meetings, seconded by Mark Carlson; motion passed.

Treasurers Report: Mark Carlson presented the following updates on accounts: Checking - \$8,379.57; Savings - \$214,672.33; Pension - \$14,888.00 and Equipment \$148,947.12. Earl Grover made a motion to approve, Dave Lentz seconded; motion passed.

Review/Approve Claims and Payment: Earl Grover made a motion to approve the claims and payments, Dave Lentz seconded; motion passed.

Bookkeeper Report: Page 8 of the financial report shows a current balance of \$203,981.71. Dave Lentz questioned about the equipment and pension money transfers. No money transfer as yet the equipment fund. Money transferred to the pension fund to equal for the 2022 audit was done. Dave Lentz suggested that specific amount of money be transfer to the equipment fund instead a percentage amount. \$13,485.44 was budgeted to the equipment fund. Renelle Gill asks about the large sum presently in savings, Ronnie Latcham having talked to Carmen Newman and explained to him is that when the state looks at the books, they are not concerned about having a large saving, Ronnie Latcham said the Fire District should not exceed over 30% if not earmarked for specific area of distribution. As far as for the pension fund for 2023 and 2024 Renelle Gill suggested to wait until we are audited and then shift the

funds over. Dave Lentz suggested that the fund budgeted for the retirement pension should be transferred now instead of waiting until the district is audited. Renelle Gill is going to transfer 2023 and 2024 money budgeted to the retirement fund.

Public Comments: None

Township Comments: None

Chief's Report: Chief Olson presented the following comments:

- a. Presented the number of calls from 1-1-24 to 5-30-24 a total of 101 call responded to. This includes fire an ambulance calls. The fire board asked for a break down of just fire calls responded to only.
- b. The Fire Department was called up for two water rescues.
- c. Need to replace the east service door. The lower area of door rusted through to the interior of the building.
- d. Pump training last month, emergency vehicle operation training will be conducted in June. Three firefighters are certified as trainers to teach and set up a course. Also, FET's will bring the ambulance and go through to course as well.
- e. The portable pump that was obtained through a grant has been used twice.
- f. Raising the cost of a load to \$125.00, had been \$85.00.
- g. Would like to start the budget process sooner either in July or August.

New Business: Bookkeeper Resignation, Renelle Gill presented a letter of resignation to the Board resigning from her current position a bookkeeper for the Fire District as of May 31, 2024. Earl Grover made a motion to accept the letter of resignation, Dave Lentz second the motion, motion passed. The bookkeeper position will be advertised and posted in the local newspaper for new applicants to apply to fill the Fire District bookkeeper's position. Dave Lentz made a motion to keep Connie Nesseth as an interim position until a person is interviewed and hired to fill the Bookkeepers position. Second by Mark Carlson, motion passed. Replace two doors at \$4596.00 each quote from Rice Lake Glass. A quote from Red Cedar Electric to replace all lights with LED lighting at a cost of \$4043.00 with a rebate of \$240.00. No updates or cost of new windows. Presently in the budget the district has \$16,000.00 for building

maintenance. Ryan Olson suggested to replace lights and replace the two doors at the cost of approximately \$13,000.00. Presently no plan to repair parking lot. The board as a whole approved to the replacement of lights and replacement of the two doors. Pets brought in the Fire Hall where other individuals are clean up urine and feces after them instead of the owners. Ryan Olson said he would address the issue and assure that the owner of these pet will clean up after them. Receive several bids to add on a bedroom for EMT's at the Fire Hall. A discussion on how to pay for the construction included using monies from an ambulance savings account. Dave Lentz suggested that fire district could borrow monies from a lending intuition, and then raise the rent of the building to the ambulance service to cover the loan cost. There will be a further discussion at the next ambulance meeting to decide and review options that would be preferred.

Other Business for Discussion Only: Budget committee start planning next years (2025) budget in July and final approval in August.

Next Meeting: July 23, 2024 at 5:00 pm at the Fire Hall Training Room.

Motion to adjourn was made by Earl Grover, seconded by Marki Carlson. Motion carried.

Minutes of the Hearing of the Airport Committee of the City of Chetek held on May 20, 2024 at 6:00p.m.

City of Chetek – Airport Committee Meeting Minutes – May 20, 2024

A meeting of the Airport Committee for the City of Chetek was called to order at 6:04 pm on May 20, 2024 by Scott Bachowski .

Present were Scott Bachowski, Judd Koenitzer, Steve Lind, Tim Esselman, Matt Hutzler, and Robert Tchop

- 1) Pro's and Con's for NPIAS versus State funding we discussed. Matt Hutzler, and Laura Stelzner spoke on the good and bad points. It was decided that an email summary with pro's and con's would be drafted by Laura and sent to Scott to disburse to the rest of the airport committee. Committee members were asked to inform hangar owners that at the next airport meeting we would be further discussing this and deciding whether or not we would like to continue with the NPIAS application.
- 2) Tim Esselman spoke on Matt's character for becoming the new airport manager. There was strong support for Matt at the committee meeting. Motion made by Robert Tchop and seconded by Steve Lind in recommendation to council for Matt Hutzler to take over as new airport manager.
- 3) Lease was discussed and decided to continue working off of the new current draft with the City Attorney versus the template he suggested.

Meeting adjourned at 6:47pm.

ARTICLE VI. - ALL-TERRAIN VEHICLES

Sec. 102-175. - Definitions.

The following words, terms and phrases, when used in this article, shall have the meanings ascribed to them in this section, except where the context clearly indicates a different meaning:

Motor vehicle means, for purposes of this section, any vehicle which is self-propelled and shall include but not be limited to automobiles, trucks, jeeps, vans, motorcycles, motorbikes, go-karts, motorized three-wheeled vehicles, all-terrain vehicles, mopeds, snowmobiles, dune buggies and tractors. Motor vehicle shall not mean any airplane, railroad train, boat, wheelchair or bicycle. A vehicle which would otherwise be defined as a motor vehicle under this section shall not be so defined while:

- (1) It is being operated solely for the purpose of construction or maintenance of an improvement to land or solely for access to construction or maintenance sites, provided such operation is by persons having legitimate business on such lands or sites.
- (2) It is being operated by or at the direction of public employees or utility company employees as part of their employment duties; or by the Police Department or their designee on any street at any time for patrol or rescue purposes.
- (3) It is being operated by the holder of an easement or right of access on or over the land on which the operation is occurring, provided such operation is by the holder of the easement or right of access or its employees or agents.

Off-road means any location which:

- (1) Is not a paved or maintained public street or alley; or
- (2) Is not used or maintained by the owner or lessee of land as a driveway, parking lot or other way for motor vehicles; or
- (3) Is not a private trail for use only by the owner or his permittees for recreational or other vehicular use. Off-road shall not include any creekbed, riverbed or lakes provided, however, that this subsection shall not apply to snowmobiles or other vehicles being operated on the ice covering such creekbed, riverbed or lake.

Operation means the physical manipulation or activation of any of the controls of a motor vehicle necessary to put it in motion.

Unauthorized means without the express prior consent of the owner, lessee, manager or other person authorized to give consent by the owner or lessee of land. Authorization shall not be implied from a failure to post private or public land.

(Code 2005, § 10-4-2(b); Ord. No. 693A, § 10-4-2(b), 10-14-2008; Ord. No. 710A, § 1, 8-10-2010)

Sec. 102-176. - Penalties.

Violation of this article shall be punishable by a forfeiture and enforced pursuant to Sections 102-204 and 102-213.

(Code 2005, § 10-4-3; Ord. No. 693A, § 10-4-3, 10-14-2008)

Sec. 102-177. - State all-terrain vehicle and utility terrain vehicle laws adopted.

The provisions describing and defining regulations with respect to all-terrain vehicles in the following enumerated subsections of Wis. Stats. § 23.33 and any future amendments or revisions, are hereby adopted by reference and made part of this section as if fully set forth herein. The statutory sections adopted by reference herein shall be designated as part of this Code by adding the prefix "102-177" to each statute section number. Any acts required to be performed by the following statutory subsections are required to be performed by this section or are prohibited by this section:

- (1) Wis. Stats. § 23.33(1). Definitions (including Subsections (a) through (o)).
- (2) Wis. Stats. § 23.33(2). Registration.
- (3) Wis. Stats. § 23.33(3). Rules of operation (including Subsections (a) through (i)).
- (4) Wis. Stats. § 23.33(3g). Use of headgear (including Subsections (a) through (d)).
- (5) Wis. Stats. § 23.33(4). Operation on or near highway (including Subsections (a) through (f)).
- (6) Wis. Stats. § 23.33(4c). through 23.33(4z). Sections related to the operation of all-terrain vehicles while intoxicated (including all subsections thereof).
- (7) Wis. Stats. § 23.33(5). Age restrictions (including Subsections (a) through (c)).
- (8) Wis. Stats. § 23.33(6). Equipment requirements (including Subsections (a) through (h)).
- (9) Wis. Stats. § 23.33(7). Accidents (including Subsections (a) and (b)).

(Code 2005, § 10-4-1; Ord. No. 693A, § 10-4-1, 10-14-2008; Ord. No. 711A, § 1, 12-14-2010; Ord. No. 733A, § 1, 2-12-2013)

Sec. 102-178. - Unauthorized operation on public or private property.

The unauthorized off-road operation of motor vehicles has resulted in:

- (1) Serious damage to public and private lands including damage or destruction of vegetation, animal life and improvement to the lands;
- (2) The permanent scarring of land and an increase in both erosion and air pollution;
- (3) Collisions and near collisions threatening the life and safety of the operators of such vehicles

as well as of other persons; and

- (4) A loss of the privacy, quietude and serenity to which the owners and users of land are rightfully entitled.

(Code 2005, § 10-4-2(a); Ord. No. 693A, § 10-4-2(a), 10-14-2008)

Sec. 102-179. - Unauthorized off-road operation prohibited.

- (a) The unauthorized off-road operation of a motor vehicle is prohibited.
- (b) Except for authorized maintenance vehicles and snowmobiles or all-terrain vehicles/utility terrain vehicles operating in areas authorized by the Common Council, it shall be unlawful to operate any mini-bike, go-kart, all-terrain vehicle or any other motor-driven craft or vehicle principally manufactured for off-highway use in city parks or on the City sidewalks, bikeways, public land, or private lands. The operator shall at all times have the written consent of the owner before operation of such craft or vehicle on private lands.
- (c) No person shall operate a motor or power-driven cycle, including the type commonly known as minibikes, or a motor or power driven mini-motor vehicle, including the type commonly known as dune buggies, go-karts and other all-terrain or off-road motor vehicle:
 - (1) On the property of another without his written consent.
 - (2) On the shoulders or in the drainage ditches of public streets, highways or public rights-of-way or on public sidewalks.
 - (3) In excess of 25 mph.
 - (4) With more passengers than the ATV or UTV is designed for.
 - (5) Without protective headgear if under the age of 18.
 - (6) On a public street or highway unless the driver has a valid operator license
 - (7) So as to race the engine, or otherwise cause unnecessary or unusual noise which annoys, disturbs, injures or endangers the comfort, health, peace or safety of others.
 - (8) In a City park, school grounds, cemeteries, church property and airport property, except Where designated by the Parks and Recreation Commission.
 - (9) Head and tail lights shall be illuminated at any time a motor vehicle hereunder is operated in the City.
 - (10) On city streets before 7:00 a.m. or after 10:00 p.m.

(Code 2005, § 10-4-2(c); Ord. No. 693A, § 10-4-2(c), 10-14-2008; Ord. No. 733A, § 1, 2-12-2013; Ord. No. 775A, § 1, 6-9-2020)

Sec. 102-180. - Map of all-terrain/utility terrain vehicle routes.

The City may adopt or amend by resolution a map delineating snowmobile and/or all-terrain/utility terrain vehicle routes. Said routes shall be signed as required by state law. They may be opened or closed at the discretion of the Chief of Police.

(Code 2005, § 10-4-2(d); Ord. No. 693A, § 10-4-2(d), 10-14-2008; Ord. No. 733A, § 1, 2-12-2013)

Sec. 102-181. - Reserved.

Editor's note— Ord. No. 775A, § 2, adopted June 9, 2020, repealed § 102-181, which pertained to trailering to routes and derived from Code 2005, § 10-4-2(e); Ord. No. 693A, § 10-4-2(e), 10-14-2008; Ord. No. 733A, § 1, 2-12-2013.

Sec. 102-182. - Parental responsibility.

The parent or parents or guardian having legal custody of an unemancipated minor child shall be liable for penalties and costs imposed for violations of this section, where such minor is unable to pay the same, including the jail sentence imposed for nonpayment thereof.

(Code 2005, § 10-4-2(f); Ord. No. 693A, § 10-4-2(e)(1), 10-14-2008)

Secs. 102-183—102-202. - Reserved.

Hello,

After receiving Joe's email on the roofing bids I followed up with J & A for clarification on the questions/statements Joe had made. Per Joe's potential issues these are the questions I sent them:

- 1) The bid calls for vacuuming the rocks off the roof. (The roof does not have rocks on it) - Please explain
- 2) Why is no insulation added to the upper roof, just added to the lower roof?
- 3) Typically the City is not under requirement for 1/2 down payment. Can you explain this requirement?
- 4) The bid does not specify if the membrane will go up and over the short walls or just be fastened to the wall with termination bars. Please clarify.
- 5) Are the old clay coping tile caps being removed or just covered with new metal?

This is the response I received.

Very sorry about the confusion. Attached is an updated bid with the problems stated.

- 1) We do not have to vacuum off rocks, We used the wrong template.
- 2) Insulation is only needed on one half of the roof to get to code (R30), the other side is already at code. If you would like to add more insulation on that half of the roof we can do that as well.
- 3) We can accept payment in full after work is completed
- 4 and 5) I have these questions answered in the updated proposal as well

Again sorry about the confusion I hope these answer your questions. If anything else should come up please feel free to contact me. Look forward to hearing from you soon.

Best Regards, Jake

Attached is the updated bid. Price did not change. Information in the bid did change. Please let me know if anyone has any additional questions for either J & A or Northwest and I would be happy to send those over to them.

Laura

Council, I have been asked to look at the roof proposals and give you my thoughts.

It is my opinion that the "Membrane Restoration System" and the "Fabric Reinforced System" bids from J&A are a cheaper fix but are not a long term solution.

The " Complete Ballast Roof Overlay System" bid from J&A which is 60 mil. PVC Membrane mechanically fastened is similar to what is on the roof now that was installed by Paul's Sheet Metal 20+ years ago.

Potential issues:

- The bid calls for vacuuming the rocks off roof-the roof does not have rocks on it.
- No added insulation on the upper just the lower roof
- Job requires ½ down payment (scarry)
- The bid does not specify if the membrane will go up and over the short walls or just be fastened to the wall with termination bars. (It should go up and over under the new cap.)
- Are the old clay coping tile caps being removed or just being covered with new metal?
- Cost-\$25,500

The 60 mil. 'Adhered Rubber Roof System' bid from Northwest Roofing is a completely different product that is entirely adhered down, not mechanically fastened. The system will go up and over the short walls under the new metal cap, no termination bars that can potentially leak. ½ inch isoguard insulation under both roofs are added protection from hail.

- No issues
- Cost-\$38,469

\$12,969 dollar difference between the two but keep in mind these are two completely different products and applications.
